# DIAMONDS IN THE SUN

# 2010

## AACA SOUTHEASTERN

# NATIONAL

# WINTER MEET

# March 4-6, 2010

## Welcome to Sunny South Florida

The South Florida Region of the Antique Automobile Club of America invites you to join us in the warm breezy environs of South Florida for the AACA Southeastern National Winter Meet, where not a snowflake can be found. This meet kicks off the 2010 car show season of AACA's 75th Diamond Anniversary year. The concourse of the famous Homestead Miami Speedway, home of NASCAR, IndyCar and Grand Am racing, will be the display area for this show. Most of the show related activities will take place at the track.

The Speedway is close to the Homestead/Florida City area which has numerous old southern style homes built at the turn of the last century. There are wonderful walking tours of historic Krome Avenue, which include antique shops, the old City Hall Historical Museum, and authentic Mexican and Italian Restaurants.

Other nearby points of interest include exotic orchid nurseries, a coral rock "castle," a winery specializing in Florida grown fruit made into fine wine, an alligator farm, a beautiful bonsai garden, and the pristine Everglades National Park. To the south, nineteen miles away, is the Overseas Highway which extends from Key Largo to Key West and is the home of great deep sea fishing with wonderful seafood restaurants along the way. Thirty miles to the north are the magic cities of Miami and Miami Beach and other communities with their dazzling night life, beaches and many other interesting attractions such as Fairchild Tropical Botanic Garden, Vizcaya Museum, and several shopping malls.
