

SPECIAL ANNOUNCEMENT!!

For those members who want to participate in both the Sentimental Tour (cars 1928-1958) and the Glidden Tour in Princeton NJ (cars 1942 and older) and do not want to trailer their cars back and forth for two big tours close together, we have made special arrangements with the Wyndham to have secure trailer parking at no extra charge for the week between the Sentimental and Glidden Tours.

And for those who want to stay and enjoy PA and NJ in the fall, there will be daily fun activities each day, both car related and historical points of interest as we work our way East from one tour to the next. You may choose any or all of the daily events. We will find good lunch stops each day. It will be relaxed and fun! This has never been done before and it will certainly be a marvelous motoring adventure!

HOST HOTEL

Our host hotel will be the very car friendly Wyndham on US 30 and US 15 just East of downtown Gettysburg. We have secured a special rate of \$139.00 per night. There is plenty of trailer parking on site. There are many excellent restaurants within minutes of the hotel.
