AACA Military Sponsorship Program

The Antique Automobile Club of America (AACA), a 501(c)(3) nonprofit corporation, is America's premiere resource for the collectible vehicle community!

Since its inception there has been something about the sight, sound, and feel of the automobile that stirs the imagination and the desire to experience the freedom of the open road. Whether it's the clatter of the single cylinder brass era car or the heavy thumping of big block Detroit muscle cars that fuels the addiction, we are all kindred spirits. Vintage cars, trucks, buses, and motorcycles are our bond.

Since 1935, AACA has had one goal: The preservation and enjoyment of automotive history of all types. From National Shows and Tours to Regional events, AACA is here to bring enthusiasts together through exciting national activities, friendship, and Antique Automobile... an award winning 100-page full color magazine.

Membership in AACA is open to all individuals who have a genuine interest in the antique automobile hobby. Ownership of an automobile is not a prerequisite of membership. We also offer special student and life membership opportunities.
