## ~ AN AACA OPPORTUNITY FOR FEBRUARY ~

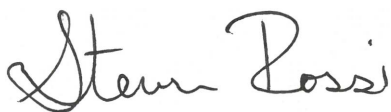

Planning is well underway for the "Oscars of the Antique Automobile World." That being, the Antique Automobile Club of America's (AACA) Annual Convention & National Awards Banquet, which will be held February 8-10, 2024, at the award-winning Westfields Marriott Washington Dulles in Chantilly, VA. It's conveniently located just outside of Washington, DC, and we're expecting a large turnout – more than 50% of our room block nights have already been booked and registration for the event doesn't even open until the first week of December!

We therefore invite you to not only participate, but partner with us in this annual gathering which recognizes the best-of-the-best within the antique car community. The Convention includes a two-day Tradeshow (Fri., Feb. 9 and Sat. Feb. 10) which will allow partners like you to promote desirable goods and services to the attending audience that will be on the order of 500+ enthusiasts.

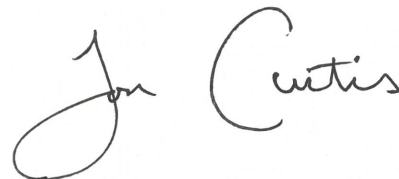

**New for 2024**, beyond just onsite exposure to hundreds, the 2024 AACA Convention Tradeshow will promote you to thousands across the country...thus, the entire AACA membership of 45,000+. To maximize your return on investment, the two-day exhibit opportunity has been enhanced to further include:

- *Antique Automobile* magazine coverage of the Convention is being expanded to include a special sidebar feature which will highlight each and every Tradeshow partner. It will appear in every AACA member's mailbox, across the country.
- The Tradeshow will be covered on video, which will be used to follow-up the Convention on social media, the AACA website, etc. and to promote 2025.
- All Convention attendees will receive a participant card to encourage them to visit every exhibit...get the card stamped at each booth...and then submit it in an onsite drawing to win prizes.

So, we invite you to partner with us to make the 2024 AACA Annual Convention the best ever. Vendor registration materials follow. We hope to see you in Chantilly for our revved-up Tradeshow experience! Full speed ahead...together.
