# The Augustus Post Memorial Plaque AACA Maine Region

Awarded at the AACA Annual Meeting to the AACA member doing the most to preserve or re-create the spirit of the original Glidden Tours during a National AACA Tour. Presented first in 1953 by AAA and since 1959 by AACA in memory of Col. Augustus Post, a founder of the AAA, early motorist and aviator, and instigator and participant of every original Glidden Tour (1905-1913). He participated with AACA in every revival Glidden Tour from 1946 until his death.

# The AACCA Divisional Tour Award

## AACCA Santa Barbara Region

Awarded at the annual meeting to an individual or region in recognition of their outstanding contributions in hosting a Divisional Tour.

# The Winters Racing Award

## Tommy Nolen

Awarded at the AACCA Annual Meeting to an AACCA member in recognition of an outstanding contribution to documented racing vehicles by his or her deeds and display of enthusiasm. This award was established in 1996 by James E. and Clarice B. Winters, racing enthusiasts.

# The Charles E. Duryea Cup

## Chris & Kathleen Koch

Awarded at the AACA Annual Meeting to an AACA member for outstanding effort on behalf of the Club on the basis of the value of the member's contribution to the general welfare of the AACA. Presented by Marion and M.J. Duryea in memory of Charles E. Duryea (1860-1938), inventor of America's first gasoline automobile in 1892 in Springfield, Massachusetts.

# The Fiala Old Faithful Award

## Franklin Gage

To be awarded at the AACCA Annual Meeting to a member of AACCA, not elected or appointed to a National office, who best exemplifies the true spirit of our Founders for service and accomplishment to the Antique Automobile Club of America, by his or her deeds and display of enthusiasm through the years. This award was established in 1995 by the children of Theodore and Suzanne Fiala in their parents' memory.

# **The I.C. Kirkham Membership Award AACCA Chesapeake Region**

**Awarded at the AACCA Annual Meeting to the Region or Chapter with the greatest membership gain according to a weighted formula that considers the number of new National members acquired and the percentage of increase in membership. This I.C. Kirkham trophy is presented by the Genesee Valley Antique Car Society Region in memory of Elmer Bassage who probably sponsored more new members for AACCA than any other person.**

# The George R. Norton Jr. Membership Award AACCA Hershey Region

To an individual or group  
which has significantly  
contributed to the  
development and growth of  
AACCA membership.  
Established by the  
Ontelaunee Region in  
memory of Mr. Norton.

# Chris Ritter AACA Library & Research Center Award

## Charles Gibson

Awarded annually to the person who made an outstanding contribution of any kind (personal service, financial support or other aid) to the AACA Library and Research Center.

Presented to AACA in 1984 by Harry and Lorraine Logan. Lorraine was the first secretary of the AACA Library and Research Center.

# The Samuel E. Baily Memorial Award

## John Harvey

Awarded at the AACCA Annual Meeting to an AACCA member in recognition of an outstanding contribution to the improvement of performance in the AACCA Judging System. Presented to the AACCA in 1968 by Mrs. Samuel E. Baily in memory of Samuel E. Baily who was the pioneer in complete restorations and prepared the basis for our present-day judging.

# The Thomas J. Wells Memorial Award

## Bob Parrish

Awarded at the AACCA Annual Meeting to an AACCA Field Judge whose continued performance has contributed to the success of the judging program. Tom Wells set high standards for judging and this award is made to those who give their time and knowledge to support the AACCA Judging System. Selection shall be made by the Judging Committee and the National Awards Committee.

# The Founders Award Fred Trusty

Current National Director or Chairman, selected by his fellow directors who, in their opinion, has contributed outstandingly to the guidance of AACCA toward its founding principles: the perpetuation of the pioneer days of automobiling by furthering the interest in and the preserving of antique cars, and the promotion of sportsmanship and of good fellowship among all its members.

# AACA Appreciation Award

## Ford Piquette Avenue Plant Museum

The AACA Appreciation Award is awarded in recognition of outstanding achievement in the preservation of the automotive history.

# **The Ann S. Eady Memorial Award**

## **Cindy Robish**

**Presented to the editor of a region or chapter newsletter for their contribution to the general welfare and spirit of the Antique Automobile Club of America. Presented by the Southeastern Region of AACA, the trophy itself is Ann S. Eady's typewriter which she used as editor of "Peachtree Parade" from 1965 to 1974.**

# The Thomas McKean Memorial Cup

## *McLaren: The Engine Company*, Roger Meiners

Awarded at the AACCA Annual Meeting for worthwhile effort during the year in automotive historical research on the basis of accuracy, interest to club members, and the use to which the research is put. Presented by the AACCA in 1949 in memory of Thomas McKean (1909-1949), former president and bibliophile.

# The M.J. Duryea Memorial Cup

## *1962 Oldsmobile Jetfire, Eric Jensen*

Awarded at the AACA Annual Meeting to an AACA member for outstanding contribution to automotive history through the **ANTIQUE AUTOMOBILE** magazine during the year. Presented in 1958 by the AACA in memory of Merle J. Duryea (1895-1957), a former president and editor who contributed more to the success and growth of the AACA than any other individual in his time.

# Editorial Award Michael Rubinstein

Member of the staff of the ANTIQUE AUTOMOBILE magazine in recognition of outstanding editorial services. Sponsored by the Raymond E. Holland Automotive Art & Toy Collection, Allentown, Pennsylvania, and is awarded annually.

# The Spark Plug Award

## Robert C. Ridle

The webmaster of a region or chapter internet website for their contribution to the general welfare and spirit of the AACCA.  
Donated by Ruth and Roland Dunkelberger

# Senior Master Judging Award Fred Bartemeyer

Awarded at the AACCA  
Annual Meeting to a Senior  
Master Judge with less than  
100 credits in recognition  
for exemplary performance  
and knowledge of AACCA  
judging practices

# The Supplier Award

## Prueitt Automotive Restorations

Awarded at the AACA Annual Meeting to a supplier or merchant of automotive restoration parts or components which uphold the originality of vehicles as they were delivered from the dealer.

### Car of the Month 1973 AMC Javelin AMX

By Steve Deitz

My first memory of working on cars was with my father, growing up in Staunton, VA. He would let me help change the oil in his cars, but that was about the extent of it. I have always been drawn to mechanical things, curious about how they work and rewarded when I can figure out how to fix them.

1973 AMC Javelin AMX barn find?

When I was in sophomore in high school, I had my first experience working on an older/antique car. First was a 1967 Ford Mustang. A friend of my bought the mustang to fix up. Luckily the engine was in good shape, and all was needed was a tune up. This was the first time I really got my hands dirty working on cars. My most vivid memory was installing a toggle switch on the dash to operate the back-up lights, so it would pass state inspection. Back then you stayed in the car during the inspection, and my friend operated the back-up light with the toggle when the inspector asked him to put it in reverse - the Mustang passed inspection.

A year later I landed my first job working in a farm outside Staunton. The owner of the farm had two grandsons that worked alongside me as we maintained equipment, took care of the livestock, and did anything that was

#### A Tour Of The Classic Auto Mall In Morgantown, Pa.

By Judy Dawson, Secretary  
Chesapeake Region, AACA

On Tuesday, April 25th at 9:00 am a small group of willing friends and fellow car enthusiasts met at The New Freedom Restaurant in New Freedom, Pa., to begin a day of fun, and automotive and culinary pleasure. After enjoying a pleasant breakfast in our own dining room, we departed for the Classic Auto Mall in Morgantown, Pa. We were to meet more friends and spend a leisurely several hours taking in the over 1,220 cars currently on display.

One of the cars on display is the iconic Batmobile touring edition. This car is listed for only \$750,000! Which is a tad more than Tom will want to spend. Then of course there is the 1955 black Chrysler New Yorker sedan that was purchased new by President, Harry Truman. It is less than the Batmobile at only \$83,500, but it has a HEMI engine and is fully equipped. There are cars in stock for everyone that will fit into their budget. Although Harry's New Yorker and the Batmobile are probably not among them.

Two members jumped the gun and arrived an hour earlier, and we followed them along throughout the day! Eventually we all gravitated to available seating and admitted we were ready to move on. Instead of going to East Earl, Pa. for a seafood dinner, we agreed on going for lunch instead. No one was disappointed! The lunch buffet was enormous, and considerably more economical than the dinner buffet. As usual we all ate more than we should have. After lunch some of us braved the huge gift shop downstairs. A few even visited the adjacent Shady Maple Food Market, where we found fresh rhubarb, local strawberries, and amazing baked goods.

It was a lovely 'social gathering', that once again even included automobile-related activities. Attending this outing were Phil and Shelly Hack, Tom and Judy Dawson, Barb and Buzz Diehl, Jay Kolb, Barb and Dan Artley, and early birds, Chuck and Tom Piel. Lyndie Vantine was a little under the weather so we missed her and Ron. Hope you will be able to join us next time!

Former U. S. President, Harry Truman's 1955 Chrysler New Yorker sedan. It is fully equipped with a 331 cid HEMI V8, two-speed Powerflite transmission and factory air-conditioning. Mr. Truman purchased this car when he and 'Bess' left Washington, D.C. to return home to Independence, Missouri. --Photo courtesy of Classic Auto Mall

This is just one of the four corridors where cars are lined up. There are rooms full of vehicles and barn finds. All vehicles have information on them that explains the make, model and price.

#### Chesapeake Region Visits St. Elizabeth School For A Cruise In With Student Member

St. Elizabeth School (SES) is a non-public, special education school located in Baltimore City. SES works with students from all of Central Maryland, ages 6 to 21, in grades 1 to 12. Our students attend class 11 months out of the year, and have a half day on Wednesdays. We believe in helping students with special needs go the distance. SES serves students with a wide range of disabilities. We encourage you to visit our website, or call us to come visit. We also work with students on the Autism Spectrum. Chesapeake Region student member, Michael Taylor is a student at SES and is doing well. Michael's 1955 Chevrolet Bel Air was one of the vehicles in the cruise-in. *Continue to page 2.*

Our visit was on May 1. Families of other students were also visiting. Michael's blueish-green Chevrolet Bel Air is on the extreme right. --Buzz Diehl photo

I love cars. Since I was a little boy growing up in New York in the 1960's, I loved to look at cars, watch them go, see them get repaired. I could name different brands, I knew what sequential turn signal lights were, knew what engines went with which cars, and knew the name of different colors cars were painted. If I had been better at working with my hands, I might have been a mechanic.

The years flew by. In 2020, my wife and I retired and moved to Western North Carolina. I had been wanting a classic car for a long time. My first car was a 1967 Dodge Dart GT. White, with a black vinyl roof, and a black interior that would sear your back and arms on a hot summer day, I

loved that car. I could fix so many things myself, and I used to spend one day every six months or so, washing, waxing, and cleaning my Dodge. I sold my car in 1983 and gave the money to my parents to help (albeit in a small way) pay for my college education.

### Meeting Meeting

Meeting at Special Event • See announcement on page 3  
June 10 trip to Montgomery to the Train Shed Cruise-In  
at the Union Station Train Shed, 300 Water Street

My blue Mercedes is a 1959 300d Adenauer, the little 'd' indicates a fourth series car, not to be confused with the big 'D' used for diesels. The 300 Mercedes ran from 1951 to 1962 in four series, the last 'd' (like mine) was the first 4 door cars with standard fuel injection! This system evolved from the system introduced on the 300SL Gullwing sports car in 1955. I bought mine in 2000 as a 30th birthday present for myself. It is one of 2 300ds this color and the only civilian car equipped with the parade horns mounted above the front bumper. Many 300ds were used by various governments and some of these feature them. My car is also one of the first Mercedes sold with Air Conditioning! All 300s feature an overhead cam engine, 4 wheel independent suspension, and load leveling in the back. My car additionally features power steering, brakes and and automatic transmission. It was about \$13,500 new.

**"Ellen"**

Ellen began her journey in the San Jose, California plant in May of 1967. She was delivered to Eger Motors in McKeesport, Pennsylvania that June and in July delivered to her first owner. There she was treated like a queen where she was pampered and a Sunday driver. Ellen came to us this past summer after we had been talking with a local Shelby restoration expert about a GT350 in his personal collection. The car had not been driven for an extended amount of time since 2017, only 17 miles. The seller asked if we were going to trailer the car home and we

**PRESIDENT'S MESSAGE**

I heard that the trip to Konocti went well. Pam and I just returned from Cambria, which is on the Coast near the Hearst Castle. Our ACD Club had their WestCoast Meet there. We took our red Cord convertible. Our eldest son and his wife joined us for an enjoyable time. Before that we went to Folsom with our Durant Club and toured with our DeVaux. So we recently have enjoyed driving our antique cars.

2024 dues are now due with both the National AACA and our region. National dues are \$45, Regional dues are \$25. Please fill out the form in the newsletter and mail or bring your regional dues to a meeting. PLEASE include your membership number on our dues form. You can find your number on the mailing label of the National magazine or you can call them to get it. (717-534-1910)

At the October meeting nominations will be taken for club officers. The office of President is our only vacancy. Everyone else has agreed to continue their position. Thank you to those members.

Our club Christmas Party is Sunday, December 3<sup>rd</sup> for lunch from 12 – 3 at the Union Hotel on Mission Blvd. in Santa Rosa. Cost is \$40 per person. Please sign up at a club meeting or call me at 707-539-2556.

Please bring an unwrapped toy for a child for "Toys for Kids".

I hope many of you plan attend our October tour on Oct. 29<sup>th</sup>, led by Bill Kaslar and Annette.

Roger

### GREASE By Linda McFarland

In March of this year, my youngest grandson, Jack, was acting in his high school's musical, Grease.

The school play director wanted to do some publicity photographs of the student cast prior to the play. So, needless to say, antique automobiles of the era came to mind. My son, who happens to be the Principal of Pennsville High School, said he could provide a couple of antique automobiles for publicity photos.

So, on the Monday prior to the first show, Matt McFarland and I brought two of our antique automobiles to the high school for photos. Matt drove our 1939 Buick Special Convertible and I drove our 1955 DeSoto. We waited until school was dismissed and carefully drove the cars onto the front of the high school main entrance.

The entire cast was all in full costume and ready for photos.

The students were thrilled to see the automobiles and many were very apprehensive about climbing into the cars, but my son assured the students that it was okay get in the cars and pose for the photographs.

The photos of the cast were all over the high school auditorium lobby for folks to see prior to the play.

The 3 productions of Grease, March 24th, 25th & 26th were sold out. I was fortunate to be able to attend the Friday & Saturday performances. Of course, I could not attend the Sunday matinee performance since I was working at our 51st Annual Swap Meet at the Salem County Fairgrounds.

### TRAACA/HVPR Plan B One-Day Joint Tour to Matthews VA March 25th

In case you wanted to join the TRAACA/HVPR Tour March 25/26 and couldn't get a hotel room, we have a Plan B! This is a separate one-day tour that will try to connect with the overnight group in Matthews, VA.

The Plan B Tour will meet at 9:15 AM at the Dunkin' Donuts located at 6605 George Washington Highway Yorktown (the intersections of Route 17 and Denbigh Boulevard). Leaving about 9:45 AM, the group will go to the Gloucester Antique Mall. Bring your EZ Pass for the Gloucester Bridge. There will be a photo op set up by a restored garage in Gloucester.

Then the group will travel to Matthews VA and lunch at the Hole In The Wall restaurant on Gwynns Island. You have the option afterwards of visiting the Deltaville Maritime Museum. The B Tour will be connecting with parts of the overnight TRAACA/HVPR Tour. The B Tour will end about 3 PM, with the group heading home on their own. Please let Donna Elliott know if you want to participate in this one-day tour by contacting her at: 757-871-6701 or email [deliott222@cox.net](mailto:deliott222@cox.net).

27th - Barbie-In-A-Blender Day

31st - National Mutt Day

### TOPEKA REGION AACA JUNE MEETING PAPAN'S LANDING April 13, 2023

Thirteen members attended the meeting and one brought their older car. Darrell and Mary Alexander decided to "stretch the legs" on their Studebaker President. It is a beauty. After the meeting was adjourned a few of the guys went for a drive. Definitely a beautiful night for it.

Gordon Hall did double duty for the night stepping in as President and being Secretary. Both President Carl Hoffman and Vice-President Don Hoover were out of town. Did a great job Gordon!

ABOVE (L-R): Gordon Hall, Todd Schafer

After the meeting we all enjoyed refreshments from the Carney's and Gordon Hall.

FRONT ROW BELOW (L-R): Lauraine Fenoglio, Mary & Darrell Alexander, Gary Cunningham, Ralph O'Dell, Bill & Jerry Carney

BACK ROW BELOW (L-R): Joe Fenoglio, John Flory, Dave Cabnell

#### LOOK AT WHAT WORD OF MOUTH FINDS!

-By Jay Kassakian

I have had antique cars for most of my adult life, mainly Packard's, and English sports cars (MG's and Austin Healey's). However, my favorite car has to be my 1957 Ford Thunderbird. I think the car is one of the most stunning cars ever produced.

The story of how I acquired the car started with me telling my friend Hank Antonioli that I was looking for one and began to look also. Hank is very good at finding classic automobiles. Al Koberlein came to visit Hank and told him that a neighbor of his, also named Al, had a Thunderbird for sale. He did not know what year it was or the condition of the vehicle. Al gave his phone number to Hank for me to get in contact with the owner.

(Con't on Page 3)
