

Mileage Award Program (MAP)

Purpose:

The Mileage Award Program has been established to recognize AACA members who drive an AACA-approved vehicle throughout the calendar year. Participation is voluntary and tracking mileage is the owner's responsibility; although subject to review. It is intended that all activity and mileage will be governed by the vehicle's owner.

Any time a vehicle is driven - anywhere for any reason - the mileage counts towards the award level. Miles where the vehicle is towed (emergency or non-emergency) do not count towards the total driving miles.

Procedure:

1. The vehicle owner must register each vehicle that they would like to include in the MAP by filling out copy 1 (National Headquarters) application below and mailing a \$25.00 check payable to AACA. Once the application is received at national the vehicle badge will be mailed to the owner.
2. When the vehicle is driven 2,000 miles it is eligible for the first MAP award. The badge has a section where the number of miles is placed; the section is upgraded at each level.
 - a. 1st Award - 2,000 mile
 - b. 2nd Award - 5,000 mile
 - c. Subsequent Award(s) - at each 5,000 mile increment
3. After you achieve your first 2,000 miles, please fill out copy 2 (record keeping form) below and mail to National Headquarters. Once approved your award(s) will be mailed to you from National Headquarters. Please keep a copy for your own records.

All mileage is retroactive to January 1, current year
