**THE TOUR**

Welcome to Aroostook County, Maine—the largest county east of the Mississippi and the size of the states of Rhode Island and Connecticut combined!

Presque Isle is the largest city and the commercial hub of “The County”, yet still quaint and rural. Join us for scenic driving tours each day to a different part of the County (Southern Aroostook, Central Aroostook, the St. John River Valley, and the Portage Lake area). Take in our breathtaking dark night skies, picturesque sunsets, Northern Lights, lakes, rivers, mountains, and numerous cultural heritage sites as well as mile after mile of farmland. In fact, Aroostook County produces approx. 4% of the national potato crop.

In the evenings, optional activities include Trivia Night, Karaoke, and guided museum tours (Presque Isle Air Museum, the 1875 Vera Estey House Museum, or the Maysville Museum). On Thursday, there will be a Street Fair and Car Show right on Main Street in front of the host hotel with live music from Aroostook’s premiere band, Star City Syndicate. A unique closing night banquet will be held on Friday.

Come experience Aroostook as visitors—and leave as friends!
