ANTIQUE AUTOMOBILE CLUB OF AMERICA

Central Spring Nationals
July 22-26, 2026
Green Bay, Wisconsin

Let me be the first to welcome you to the Badger State, the land of cheese and football, and for the last weekend in July the home of the Central Spring Nationals.

This is the first ever AACA Nationals in the beautiful city of Green Bay, Wisconsin. Green Bay is home to the 13-time world champion Green Bay Packers. It is a city rich in culture and diversity. A city that has rolled out the red carpet for AACA.

We have planned, what I feel, will be one of the best shows in 2026. There will be something for everyone. There will be a craft event for those not attending judging school. We will be hosting a welcome party where everyone is encouraged to wear their favorite sports team attire. There will be live music for listening and dancing, and an ice cream social with the Oneida Nation Tribal Dancers performing.

We will also be joined by the Antique Motorcycle Club of America showcasing some of the finest motorcycles in the area. I encourage you to register early for this event as I am sure we will have a full crowd of automobiles on the show field.

Finally, mark your calendars for 2028 as we are scheduled for a dual meet in July with a Grand Nationals and the Zenith cars. Any questions, please feel free to contact me.
